## Art - Self Assessment

| Name: | Class: |
|-------|--------|
|-------|--------|

| <u>Criteria</u>                    | 4             | 3                | 2           | 1               |
|------------------------------------|---------------|------------------|-------------|-----------------|
|                                    | Yes, I was    | Most of the      | I did this  | I tried to do   |
|                                    | successful in | time I did this. | some of the | this but I need |
|                                    | doing this.   |                  | time.       | work.           |
| Details/Creativity                 |               |                  |             |                 |
| I included a lot of things/details |               |                  |             |                 |
| Art Techniques                     |               |                  |             |                 |
| I used lines and colour in         |               |                  |             |                 |
| different ways to create my art    |               |                  |             |                 |
| Following Directions               |               |                  |             |                 |
| I followed the directions,         |               |                  |             |                 |
| ensuring that I included any       |               |                  |             |                 |
| specific art techniques that were  |               |                  |             |                 |
| to be used in each project         |               |                  |             |                 |
| Pride                              |               |                  |             |                 |
| I always did my best work,         |               |                  |             |                 |
| ensuring that it was neatly done   |               |                  |             |                 |
| Respect                            |               |                  |             |                 |
| I was respectful of my peers       |               |                  |             |                 |
| artwork                            |               |                  |             |                 |
| Classroom Behaviour                |               |                  |             |                 |
| I focused on my artwork,           |               |                  |             |                 |
| completing it on time and          |               |                  |             |                 |
| followed the classroom rules       |               |                  |             |                 |
| Art Supplies                       |               |                  |             |                 |
| I was careful to use the           |               |                  |             |                 |
| classroom art supplies correctly   |               |                  |             |                 |
