

## **All About Me Prezi Presentation**

1. Share your graphic organizer with your partner and discuss each part.
2. Watch the video **How to create a Prezi Presentation**. Then login to Prezi and use your graphic organizer to begin creating your Prezi Presentation. (You can re-watch video if you forget how to do something) You will create 1 presentation introducing yourself, and your partner. Example title: All About Anna and Julie
3. When you're ready to insert a picture into your presentation watch the video, **How to insert an image into a Prezi Presentation**. You will then insert pictures, symbols, etc. into your presentation. (Students are encouraged to play with the program to discover other features).
4. When you have completed your presentation (all information from your graphic organizers are included) you will watch the video **How to edit and save a Prezi Presentation**. Make any needed or desired changes to your presentation and save your Prezi.
