

Types of Communities Project

*Video describing Urban & Rural Communities and the lifestyle of the people who live there.
(Minimum of 8 slides)*

1. Watch the video: ***Types of Communities***, with your partner. The link to the videos are on the *Links* page of our class website. Click the *Community Project* button.
2. Read each of the books: *Large Cities, Towns and Rural Communities*, with your partner. As you read each page talk to your partner about what you have learned and decide what section of your graphic organizer this information would go with.
3. Record what you have learned on your graphic organizer. Discuss with your partner(1 graphic organizer per group)
**Remember to use jot notes which are written in your own words.
Put the information under the most appropriate heading in your graphic organizer*
4. After you have read all 3 books and your graphic organizer is completed you will begin creating your animoto video with your partner. (1 video per group) You can rewatch the Types of Communities video whenever you need to review the material in this video.
5. Watch the video: ***How to Create an Animoto Video***, with your partner. The link to the videos are on the *Links* page of our class website. Click the *Community Project* button.
6. Log into Animoto, choose your template and begin to create your video. When you want to add a picture to your video watch the video: ***How to save an image/picture***

7. When you have finished creating a video which describes an urban and rural community and the lifestyle of the people who live there (information from graphic organizer) you should have a minimum of 8 slides.

8. Watch the video: *How to produce your Animoto Video*. Preview your video, making any desired changes and produce your video.
